 Add A "PS"
To Help A Neighbor

Project Share is a plan, created by your municipal utility, to assist needy households in paying their wintertime energy bills.

You can help by adding a regular *PS* contribution to your monthly utility payment, or by making a direct donation to **Project Share**. These funds will then be distributed to neighbors in need for wintertime energy costs.

Those qualifying for help will be carefully identified by an area social service agency. A local committee will oversee **Project Share** to guarantee all contributions will be handled equitably and efficiently.

So please, add a *PS*— **Project Share** — to your utility payment each month. It's a simple way to share some warmth with those who need it.
